

Traveling Out of the United States Anytime Soon?

We have seen an enormous increase in out of country fraud cases. Due to this increase, we can not guarantee that your VISA Debit Card will work if you travel out of the United States. We have had members that have been effected by this. To avoid any problems make sure you take at least one additional form of payment on your trip. NW Priority Credit Union has a few of options for traveling:

1. VISA Gift Card
2. Travelers Checks
3. VISA Credit Card

(If you do not have a NWPCU VISA Credit Card please see our loan department to apply for yours today)*

We encourage you to be extra vigilant while traveling in other countries. Also, be sure we have your current phone, cell number and e-mail address so we can contact you in the event of suspicious transactions on your account.
